February 26, 1986

The Honorable William J. Casey
Director of Central Intelligence
Central Intelligence Agency
Washington, D.C. 20505

Dear Bill:

On behalf of the Select Committee on Intelligence, we invite you or your representative to participate in a hearing on the Fiscal Year 1987 Intelligence Authorization for counterintelligence and domestic counterterrorism programs. We have scheduled this hearing for Wednesday, April 9, at 9:30 a.m. The hearing will, of course, be closed and will be conducted at the full committee level. Other witnesses invited to testify at this hearing are FBI Director Webster and Deputy Under Secretary of Defense Alderman, or their representatives.

As you know, the President will submit in early May a report to the Intelligence Committees on U.S. programs and policies to counter the hostile intelligence threat. We believe this report will greatly assist the Committee, and we appreciate the President's interim report which you submitted on his behalf on February 13. The hearing on April 9 should provide an opportunity to discuss counterintelligence matters to be addressed in the President's report, with a separate hearing on April 16 to discuss security countermeasures.

We ask that your presentation be as informal as possible and that any prepared statements be submitted for the record. The opening presentations by all witnesses should not exceed 40-45 minutes, so as to allow ample time for questions by Committee Members. We ask you to focus your oral presentation on the following:

- o the status of joint FBI-CIA-DoD efforts to develop a national counterintelligence strategy;

We would also appreciate your submitting a separate statement detailing the most significant investment areas for counterintelligence in the CIA Program for FY 1987, including major new initiatives, the status of ongoing initiatives, and initiatives that are needed but are not included in the budget, either because they were not requested or due to fiscal constraints. Because of the budget timetable, please submit this portion of your statement by March 17, 1986.

To give our staff sufficient time to prepare briefing material prior to the hearing, please arrange for your staff who are involved in the preparation of the hearing materials to meet with our staff at least ten days prior to the hearing in order to ensure that all relevant issues will be covered. If your staff have any questions about this request, please have them contact John Elliff of the Committee staff at 224-1731.

Sincerely,

Dan Durenberger
